Printable surface

Window for personalization

Name badge 72 x 38 mm
Window 62 x 12 mm
Window position 5mm from the bottom

Printable area 62 x 16 mm

Actual size for artwork
64 x 18 mm

You should always supply the artwork files in CMYK colors using a vectorized PDF file format.
Pantone matching is not available without screen printing. We can simulate Pantone colors,
but an exact match is not possible with full-color CMYK printing.
When required, the printing includes white base color by default.
