

These are the two sizes available for the LabelTag name badges. Size is not customizable. Refer to our site for the color options, as each size has different stock colors available.

LabelTag 80 x 35mm
Printable area 76 x 14mm

LabelTag 80 x 50mm
Printable area 76 x 26mm
Bottom printable area 76 x 5mm

You should always supply the artwork files in CMYK colors using a vectorized PDF file format. Pantone matching is not available without screen printing. We can simulate Pantone colors, but an exact match is not possible with full-color CMYK printing. When required, the printing includes white base color by default.
